CAMPER CANCELLATIONS/REFUNDS:

Request for cancellation/refunds must be received at least four weeks prior to the camp session start date regardless of the registration date. Cancellation requests are subject to a \$100 cancellation fee per camp. Cancellations within four weeks of the camp session start date will not result in refunds unless accompanied by written doctor's orders verifying illness or injury. Camper tuition is not discounted when campers arrive late or leave early as expenses are contracted for the season and enrollment is limited.

CANCELLATION OF CAMP SESSION:

iSPACE reserves the right to cancel any camp session and after-camp session that does not meet the minimum registration requirements. If this is necessary parents will be contacted at least four weeks prior to the beginning of camp and fees will be refunded in full.
